Penstemon Violet Dusk	Perennial 12"-15"H	1 gallon	With dark leaves and dark flowers, this specimen is for the collector and novice gardener alike. Full sun, part shade.
Peony, Red, Pink, White	Perennial 24"-30"H	1 gallon	Nothing says spring is here like a peony, fully double, will last decades in the garden. Full sun/part shade.
Peppers, Ornamental Black Pearl	Annual 15"H	3.5" pot	Both the leaves and the peppers are glossy black on this plant. Peppers turn red when mature. Full sun.
Peppers, Ornamental Calico	Annual 15"H	3.5" pot	Ornamental foliage is a patchwork of white, purple, and green. Very hot peppers. Full sun.
Peppers, Ornamental Hot Purple	Annual 3-4 feet	3.5" pot	Variiegated white and purple foliage. Peppers start out purple and turn red when mature. Full Sun.
Pericallis Senetti series	Annual 12"-18"H	1 gallon	Strikingly bright colors, YES, they are real. Great as an early season indoor potted plant. COOL, part sun/shade.
Petunia Bedding varieties	Annual 8"-12"H	2.5" pot	Bedding petunias are used primarily in the garden and small containers, NON-spreading. Numerous colors. Full sun/ shade.

Yatahai Gardens Plant Catalog 2009

Petunia Cascading, Spreading	Annual 2-3 feet	4.5" pot	Prostrate, "Wave", or spreading petunias trail or spread up to three feet. Dozens of colors available. Full sun/part shade.
Phlox, 21st Century mix, Grammy series, Crystal mix	Annual 8"-12"H	2.5" pot	One of the most fragrant annual flowers around, dense clusters of blooms in an array of colors. Full sun/part shade.
Physocarpus Coppertina	Perennial 6-8 feet	1 gallon	With little or no fall colored foliage in Colorado, this shrub adds hues of golden orange all season. Full sun/part shade.
Plectranthus oertendahlii Emerald Lace	Annual 20"-24"H	3.5" pot	Bright emerald foliage with silver veins add color and contrast in mixed gardens or containers. Full sun/part shade.
Plectranthus argentatus Silver Shield	Annual 20"-24"H	3.5" pot	Broad, soft, velvety, silver foliage with small blue flowers. Spreading/cascading. Full sun/part shade.
Portulaca, Moss Rose Sundial series	Annual 3"-5"H	2.5" pot	Sun and heat tolerant annual used as a groundcover in a full spectrum of colors. Full sun/part shade.
Ptilotus Joey	Annual 12"-18"H	3.5" pot	A heat tolerant Australian native with silvery foliage and clusters of luminous neon pink flowers. Full sun/part shade.
Raspberry, Red and Yellow	Perennial 3 feet	1 gallon	Hardy perennial bush, will fruit first year. Full sun/part shade.
Rudbeckia, Black-eyed Susan, Autumn Colors	Perennial 18"-24"H	3.5" pot	Autumn colors with a very bushy habit, blooms from early summer through the fall. Full sun/part shade.
Salvia argentea Silver Sage, artemesia	Perennial 3 feet	3.5" pot	Silver all over with white flowers and woolly leaves. Very heat and drought tolerant. Full sun/part shade.
Salvia verticillata Lilac Sage	Perennial 18"-24"H	3.5" pot	Silver sage with whorls of lilac flowers that bloom early and often. Full sun/part shade.
Salvia Vista series	Annual 12"-18"H	2.5" pot	Early flowering annual salvia in colors including burgundy, purple, red, salmon and white. Full sun/part shade.
Salvia coccinea Lady in red, Coral Nymph	Annual 12"-18"H	2.5" pot	One of the most graceful and unique annual salvias. Very easy to grow. Full sun/part shade.
Salvia farinacea Victoria Blue	Annual 12"-18"H	2.5" pot	Deep blue flowers and deep blue stems, works well as a dried flower, too. Full sun/part shade.
Salvia patens Blue Angel	Annual 18"-24"H	2.5" pot	Rarely does this variety bloom in the pot, but once you see it bloom, you can't resist it. Full sun/part shade.
Sambucus Black Lace	Perennial 6-8 feet	1 gallon	With foliage resembling a Japanese maple, this shrub is tough as nails. Full sun/part shade.
Saxifraga Purple Robe	Perennial 3"-5"	1 gallon	A native to the high tundra, this groundcover has delightful pink flowers. Full sun/part shade.
Scaevola Whirlwind Blue	Annual 2-3 feet	4.5" pot	Also known as Australian fan flower, this desert native is heat and drought tolerant, perfect for Colorado. Full sun/part shade.
Schizanthus, Alpine Orchid Royal Pierrot series	Annual 12"-18"H	1 gallon	A very cold hardy annual with multi-colored blooms that resemble an orchid. Full sun/part shade.
Sedum Autumn Joy	Perennial 10"-12"H	1 gallon	A taller specimen of sedum, or stonecrop. These succulent plants are hardy for Colorado's climate. Full sun/part shade.

Yatahai Gardens Plant Catalog 2009

<b>Sedum Matrona Pink</b>	Perennial 10"-12"H	1 gallon	Similar to Autumn Joy, but much brighter pink flowers. Great cut flower as well. Full sun/part shade.
<b>Sedum Neon</b>	Perennial 10"-12"H	1 gallon	A great variety for the succulent collector, brightest flowers of all the cold hardy sedums. Full sun/part shade.
<b>Sedum Rock Garden mix</b>	Perennial 5"-7"H	3.5" pot	These mixed varieties work well as a perennial ground cover, or in rock gardens. Full sun.
<b>Sedum Voodoo</b>	Perennial 3"-5"	3.5" pot	Dark red to maroon sedum is a standard groundcover, heat and drought tolerant. Full sun.
<b>Sempervivum Hens and Chicks</b>	Perennial 3"-5"	3.5" pot	Succulent rosettes and spikes add a cactus like element without the spines. Full sun.
<b>Shasta Daisy White Knight</b>	Perennial 12"-15"H	3.5" pot	Large white flowers on very sturdy stems. Great cut flower variety as well. Full sun/part shade.
<b>Snapdragon Montego series</b>	Annual 8"-12"H	2.5" pot	These cold hardy snaps are great in containers and gardens as they stay short to avoid wind damage. Full sun/part shade.
<b>Stachys, Lamb's Ear Pure Cotton</b>	Perennial 12"-18"H	3.5" pot	These silvery, fuzzy leaves add a soft texture in the perennial garden. Full sun/part shade.
<b>Stocks Sugar and Spice mix</b>	Annual 8"-12"H	2.5" pot	Spicy and aromatic blooms with both single and double flowers. Performs well as a cut flower. Full sun/part shade.
<b>Strawberry June and ever bearing</b>	Perennial 5"-8"H	4.5" pot	These are both strong varieties chosen for Colorado's climate. Full sun/part shade.
<b>Sweet Potato Vine Blackie</b>	Annual 6"-10"H	1 gallon	Dark leaves bring contrast to containers and gardens alike. Will trail 2-4 feet. Part shade/part sun.
<b>Sweet Potato Vine Margarite</b>	Annual 6"-10"H	1 gallon	Chartreuse leaves bring contrast to containers and gardens alike. Will trail 2-4 feet. Part shade/part sun.
<b>Succulent, Aeonium Zwartkop</b>	Perennial 12"-15"H	4.5" pot	This gorgeous specimen has tightly packed dark colored rosettes. Must bring indoors for winter. Full sun.
<b>Succulent, Aeonium Pinwheel</b>	Perennial 12"-15"H	4.5" pot	Green rosettes tinged with pink, well branched, with pink flowers. Must bring indoors for winter. Full sun.
<b>Succulent, Crassula Campfire</b>	Perennial 12"-15"H	4.5" pot	The bright orange and green rosettes shine as this specimen trails and twists. Must bring indoors for winter. Full sun.
<b>Succulent, Crassula Miniature Pine Tree</b>	Perennial 12"-15"H	4.5" pot	Resembling a young conifer, these succulents have orange and creamy white flowers. Must bring indoors for winter. Full sun.
<b>Succulent, Senecio Mandris Blue</b>	Perennial 12"-15"H	4.5" pot	Silvery blue finger like protrusions almost resemble a coral reef. Must bring indoors for winter. Full Sun.
<b>Succulent, Senecio Blue Chalk Fingers</b>	Perennial 18"-24"H	4.5" pot	A very prolific succulent that arches and cascades as it grows with very little water. Full sun.
<b>Thunbergia Black-eyed Susan vine</b>	Annual 2-3 feet	1 gallon	Though not related to true black-eyed Susans, this trailing or climbing vine does well in the heat. Full sun/part shade.
<b>Thyme, Wooly</b>	Perennial 3"-5"	3.5" pot	Low growing resilient groundcover, hardy enough for regular foot traffic. Full sun/part shade.

Yatahai Gardens Plant Catalog 2009

Thyme, Creeping	Perennial 5"-8"H	3.5" pot	Taller with more flowers than wooly thyme, also used as a groundcover. Full sun/part shade.
Verbascum Southern Charm	Perennial 3 feet	3.5" pot	A top performing perennial that is dramatic both in it's height and color. Full sun/ part shade.
Verbena Obsession and Quartz	Annual 12"-18"H	2.5" pot	A dozen colors that mix and blend well with other plants in gardens and containers. Heat loving. Full sun/part shade.
Viola Amber, Tiger Eye, Sorbet	Perennial 3"-5"	2.5" pot	Early spring color untouched by snow or freezing. Will hold their color through the season if given some shade. Full sun/full shade.
Zinnia Dreamland, Profusion	Annual 12"-18"H	2.5" pot	Zinnias give color in a range of heights, colors, and growing conditions. Full sun/part shade.
